(1) The valid upgrade period for a product is the time in which an owner of said version may migrate to the latest version at reduced upgrade pricing. After this period, you must purchase a full license

Current

- Version maintained under development, with fixes and improvements performed. Intermediary Hotfixes are provided to Partners.
- Full-versions and upgrades to higher versions are available for sale.
- Technical support guaranteed to be available.

Ended

- Development ended.
- Full version sales and upgrades to higher versions scheduled to be phased out (see table).
- Technical support no longer available, no new bug fixes will be issued.

Obsolete

- Development ended.
- All sales ended. Upgrades to higher versions no longer sold.
- No technical support available.
