Time Stored in Objects

Time stored in an object property is now in seconds instead of milliseconds. More information can be found on the [4D Blog](#).

Deprecated and Renamed 4D Commands

A new way to get machine and hardware information running 4D Server has been released with 4D v17. More info available on the [4D Blog](#).

Two commands have been deprecated and renamed with a leading “o_”, when another has been renamed:

- PLATFORM PROPERTIES => _O_PLATFORM PROPERTIES
- Gestalt => _O_Gestalt
- Current machine owner => Current system user
